Figure 1 is a line graph titled "Percentage of total sample by age group, by year". The Y-axis represents the percentage of the total sample, ranging from 0 to 100 in increments of 10. The X-axis represents the year, ranging from 1970 to 2020 in increments of 10. There are eight data series representing different age groups: 0-14, 15-24, 25-34, 35-44, 45-54, 55-64, 65-74, and 75+. The 0-14 age group starts at approximately 20% in 1970 and decreases steadily to about 10% by 2020. The 15-24 age group starts at approximately 15% in 1970 and decreases to about 10% by 2020. The 25-34 age group starts at approximately 15% in 1970 and decreases to about 10% by 2020. The 35-44 age group starts at approximately 15% in 1970 and decreases to about 10% by 2020. The 45-54 age group starts at approximately 15% in 1970 and decreases to about 10% by 2020. The 55-64 age group starts at approximately 15% in 1970 and decreases to about 10% by 2020. The 65-74 age group starts at approximately 15% in 1970 and increases to about 20% by 2020. The 75+ age group starts at approximately 10% in 1970 and increases to about 20% by 2020.

Dear Sir:

I awaited your telephone call in reference to the matter we discussed Friday, August 4th, at your office.

You had promised to deliver said information to me prior to Monday night, the day set for a general meeting with the interested parties. Fortunately, I was ble to calm them sufficiently to await the necessary time you required to obtain the requested information.

I am enclosing a list of 48 men who are at the present time in Miami, Dade County, Florida, a list of 19 men who are at the present time in prison in the Republic of Cuba, and the name of [REDACTED] who expired during the venture. I would like to know the following:

1. Are these men entitled to payment?
2. If so, are they entitled to payment for June, July, and August?
3. Are those incarcerated entitled to payment, and said payment can it be furnished to the family here in Miami?
4. Is the deceased entitled to any compensation and is he covered under a certain blank insurance policy?
